

Community Service Week

Oct 16-22

Where will you serve?

What is it?

- The goal of the community service week is to help connect people with all the ways they can volunteer and get involved. We want them to be able to connect with your organization, fall in love with your work, and continue to volunteer throughout the year. We are looking for opportunities for volunteers of all ages and ability levels.

What can you do to help?

- **Plan a Project for Community Service Week!**
- 25,000 volunteers will be looking for a place to serve the week of October 16-22. Create a project so they can volunteer with you!

What might a project look like?
